About BIOFRIL HEALTHCARE PRIVATE LIMITED

BIOFRIL HEALTHCARE PRIVATE LIMITED is a structured pharmaceutical organization delivering reliable, consistent healthcare solutions.

Built on **precision, quality, and integrity**, the company operates with a clear focus on **ethical practices and disciplined execution** across therapeutic segments.

Our Foundation

- **Quality • Consistency • Integrity**
- Defined quality product portfolio
- Consistent supply systems
- Ethical and disciplined operations

Our Strength

- **Range • Support • Reliability**
- Expanding portfolio across therapeutic segments
- WHO-GMP compliant manufacturing association
- Strong focus on packaging and brand identity

Our Direction

- **Growth • Stability • Trust**
- Building sustainable market presence
- Strengthening long-term professional partnerships
- Delivering consistent value execution

Director's Note

Healthcare today demands more than medicines—it demands trust, consistency, and commitment.

At BIOFRIL HEALTHCARE PRIVATE LIMITED, our journey is driven by a simple yet powerful purpose—to improve lives through quality healthcare solutions. We believe that true success lies in consistency, integrity, and the trust we build with our partners and customers.

With a strong foundation in ethical practices, advanced manufacturing support, and a commitment to excellence, we continue to expand our reach across therapeutic segments, delivering safe, effective, and reliable solutions that patients can rely on. As we move forward, we will continue to innovate, evolve, and strengthen partnerships that improve patient outcomes and deliver value for all our stakeholders.

Vaneet Nassa
— Director —

Vision

To build a **stable** and **trusted** pharmaceutical organization known for quality and consistency.

Mission

To deliver **safe**, **effective**, and **reliable** pharmaceutical solutions with **ethical standards** and **customer trust**.

Why Choose BIOFRIL HEALTHCARE PRIVATE LIMITED

We combine quality-driven products, structured systems, and professional support to deliver consistent value across the pharmaceutical market.

Our Key Advantages

Quality • Compliance • Consistency

- WHO-GMP compliant manufacturing support
- Strict quality selection and control systems
- Reliable and consistent product supply

Range • Availability • Expansion

- Wide and growing product portfolio
- Coverage across multiple therapeutic segments
- Continuous portfolio expansion strategy

Support • Marketing • Growth

- Strong promotional and marketing support
- Professionally designed packaging and branding
- Business-friendly approach for long-term growth

Trust • Ethics • Relationships

- Transparent and ethical business practices
- Long-term partnership focus
- Commitment to customer satisfaction

Our Business Model

Monopoly-based distribution opportunities

Defined territory support

Stable and scalable business structure

Our Product Portfolio

BIOFRIL HEALTHCARE PRIVATE LIMITED offers a diverse and expanding pharmaceutical portfolio designed to meet the needs of modern healthcare across multiple therapeutic segments.

Our focus remains on **quality-driven formulations**, consistent availability, and professional presentation.

General Medicine

- Wide range of essential formulations
- Focus on everyday healthcare needs

Critical Care

- Advanced formulations for intensive care
- Designed for hospital and clinical settings

Antibiotics

- Broad-spectrum and targeted therapies
- Focus on efficacy and reliability

Nutraceuticals

- Health supplements and wellness products
- Focus on prevention and recovery

Gastro & Liver Care

- Digestive and hepatic care range
- Balanced and effective formulations

Pain Management

- Analgesic and anti-inflammatory solutions
- Designed for fast and effective relief

Cardiac & Diabetic Care

- Chronic care management solutions
- Focus on long-term patient stability

Injectables

- Sterile and advanced injectable formulations
- Designed for hospital and critical care use

Portfolio Strength

Quality • Variety • Consistency

- Structured and well-segmented product range
- Consistent supply and availability
- Professionally designed packaging and branding
