About BIOFRIL HEALTHCARE PRIVATE LIMITED

BIOFRIL HEALTHCARE PRIVATE LIMITED is a structured pharmaceutical organization delivering reliable, consistent healthcare solutions.

Built on **precision, quality, and integrity**, the company operates with a clear focus on ethical practices and disciplined execution across therapeutic segments.

Our Foundation

- **Quality • Consistency • Integrity**
- Defined quality product portfolio
- Consistent supply systems
- Ethical and disciplined operations

Our Strength

- **Range • Support • Reliability**
- Expanding portfolio across therapeutic segments
- WHO-GMP compliant manufacturing association
- Strong focus on packaging and brand identity

Our Direction

- **Growth • Stability • Trust**
- Building sustainable market presence
- Strengthening long-term professional partnerships
- Delivering consistent value execution

Director's Note

Healthcare today demands more than medicines—it demands trust, consistency, and commitment.

At BIOFRIL HEALTHCARE PRIVATE LIMITED, our journey is driven by a simple yet powerful purpose—to improve lives through quality healthcare solutions. We believe that true success lies in **consistency, integrity, and the trust** we build with our partners and customers.

With a strong foundation in ethical practices, advanced manufacturing support, and a commitment to **excellence**, we continue to expand our reach across therapeutic segments, delivering **safe, effective, and reliable solutions** that patients can rely on. As we move forward, we will continue to **innovate, evolve, and strengthen** partnerships that improve patient outcomes and deliver value for all our stakeholders.

Vaneet Nassa

Vaneet Nassa

— Director —

Vision

To build a **stable and trusted** pharmaceutical organization known for quality and consistency.

Mission

To deliver **safe, effective, and reliable** pharmaceutical solutions with **ethical standards and customer trust**.

Why Choose BIOFRIL HEALTHCARE PRIVATE LIMITED

We combine quality-driven products, structured systems, and professional support to deliver consistent value across the pharmaceutical market.

Our Key Advantages

Quality • Compliance • Consistency

- WHO-GMP compliant manufacturing support
- Strict quality selection and control systems
- Reliable and consistent product supply

Range • Availability • Expansion

- Wide and growing product portfolio
- Coverage across multiple therapeutic segments
- Continuous portfolio expansion strategy

Support • Marketing • Growth

- Strong promotional and marketing support
- Professionally designed packaging and branding
- Business-friendly approach for long-term growth

Trust • Ethics • Relationships

- Transparent and ethical business practices
- Long-term partnership focus
- Commitment to customer satisfaction

Our Business Model

- Monopoly-based distribution opportunities
- Defined territory support
- Stable and scalable business structure

BIOFRIL HEALTHCARE PRIVATE LIMITED

Diversity • Coverage • Excellence

Our Product Portfolio

BIOFRIL HEALTHCARE PRIVATE LIMITED offers a diverse and expanding pharmaceutical portfolio designed to meet the needs of modern healthcare across multiple therapeutic segments.

Our focus remains on **quality-driven formulations**, consistent availability, and professional presentation.

General Medicine

- Wide range of essential formulations
- Focus on everyday healthcare needs

Critical Care

- Advanced formulations for intensive care
- Designed for hospital and clinical settings

Antibiotics

- Broad-spectrum and targeted therapies
- Focus on efficacy and reliability

Nutraceuticals

- Health supplements and wellness products
- Focus on prevention and recovery

Gastro & Liver Care

- Digestive and hepatic care range
- Balanced and effective formulations

Pain Management

- Analgesic and anti-inflammatory solutions
- Designed for fast and effective relief

Cardiac & Diabetic Care

- Chronic care management solutions
- Focus on long-term patient stability

Injectables

- Sterile and advanced injectable formulations
- Designed for hospital and critical care use

Portfolio Strength

Quality • Variety • Consistency

- Structured and well-segmented product range
- Consistent supply and availability
- Professionally designed packaging and branding
